DECISION FACTORS

The following categories will be *considered* when making a final determination of the Kappa Alpha Psi Fraternity, Cleveland Alumni Chapter scholarship recipients.

Grade Point Average: Though we encourage students with a cumulative G.P.A. of 2.5 or higher to apply for our scholarship, we will accept applications from any student who has demonstrated strong leadership skills and a record of community service. Our objective is to recognize achievement candidates who are well rounded and have demonstrated a willingness and capacity to be an asset to their community.

Leadership Potential: Our goal is to identify candidates who understand how world affairs affect them and their community. The successful applicant will have a healthy understanding of local, state, and national political issues. They will be able to demonstrate the ability to analyze data, make effective decisions, and have the capacity and tenacity to follow through.

Graduation: The successful candidate must be eligible for graduation from high school in the spring of 2024.

College Admittance: The successful applicant will be accepted for admission to an institution of higher learning or be eligible and awaiting acceptance.

Financial Need: While this scholarship is not based on family income, the applicant's ability to pay for their education will be a consideration.

Interview: **Following our initial screening for incomplete applications,** selected candidates must participate in an interview by a committee of the Kappa Foundation and must attend a virtual awards ceremony to be tentatively scheduled for Saturday, April 27, 2024.
